

2010s Time Machine

Yowza!

The kombucha cheeseball airballed flyover states.

A flashmob of microbiomes pinged frenemies with fake news about emojis.

Bestie truthers in gender dysphoria friended crunchy snowflakes with selfies.

Muggles on staycation clickbaited eco grief with chai latte before Brexit.

Digerati on hoverboards vaped Bibimbop while cloud computing their carbon credits.

Locavore hashtags unfriended ringtones.

Bling ransomware exfoliated the deep state over net neutrality.

Sriracha fitbits f-bombed safe spaces with froyo in go-cups.

Uber & Lyft doxx'd bougie Anthropocene woo-woo.

The worstest guac onboarded vegan qubits.

Buzzy connectomes face-palmed oppo memes.

Unplugged vulture capitalists binge-watched paywalls.

Micro-aggressions woke the Alt-right in airplane mode.

Anti-vax traumatology misgendered #MeToo.

Sounds like a plan. OMG LOL fuhgeddaboutit.
