Detection of Threatened Pool-Breeding Amphibians with eDNA Analysis Samara Davis, Ossining High School, Ossining, NY; Dr. Mark Stoeckle, The Rockefeller University, New York, NY;

Acknowledgements

I would like to thank...

Dr. Mark Stoeckle at the Rockefeller University for providing excellent guidance and supplies for this project. Ms. Valerie Holmes and Mr. Angelo Piccirillo for providing endless support and resources. My family and friends for all their encouragement.
